Dear Unclaimed Property Holder:

As your State Treasurer, I have vowed to make the return of unclaimed property to its rightful owners a top priority—a sign of the value we place on the right to ownership of private property in our capitalist free market system. I am pleased to report that this hard work has yielded a return of about \$14.6 million (annually) back to its owners. This means that we are returning more cash, stock, safe deposit box contents and other property than ever before.

However, I cannot do this alone. Holders of unclaimed property play an important role in reuniting that property with its owners. Many businesses are not aware of their obligations under Kansas law to turn unclaimed property over to the State Treasurer's Office. Together, we are forging strong partnerships with businesses, banks and holders to ensure that we efficiently return property to its owners.

This booklet will help the thousands of businesses and organizations holding unclaimed property. Please take a few moments to become familiar with the laws and processes.

As Kansas State Treasurer, my staff and I want to assist you in any way possible. I have a dedicated and knowledgeable staff who are ready to help you with your needs. Please do not hesitate to call with questions or suggestions. I welcome your feedback in support of this important program which re-unites Kansans with their property.

Sincerely,

Ron Estes
Kansas State Treasurer

UNCLAIMED PROPERTY STEPS & CHECKLIST

The following checklist was created to help you through the process of filing unclaimed funds with the State of Kansas

IDENTIFY ▶▶

See tables on page 8 & 9 to determine if the property has reached its dormancy period

- ❑ Research checks that have not cleared your bank
- ❑ Research any amount left outstanding on your books (no minimum amount in KS law)

ATTEMPT TO LOCATE ▶▶

Sample due diligence letter on page 6

- ❑ Check your database for current contact (other accounts, current employee, etc)
- ❑ Due diligence required on amounts over \$100, stock and safe deposit boxes
- ❑ Send letter to last known address on record (not required if received returned mail in the past)
- ❑ Mail due diligence letter 60 to 120 days before your report (for Nov 1 reports, between 7/4 & 9/2)

GATHER REPORT INFORMATION ▶▶

- ❑ Last known address is required to be reported if obtained (even if your records indicate it is inaccurate)
- ❑ Social Security Number is required if obtained (wages and payroll type properties always required)
- ❑ The more information you provide, the less phone calls you will receive to research properties
- ❑ Kansas aggregate amount is under \$100, however our office will accept all property details and load them into our system (this reduces the amount of research)

PREPARE THE REPORT ▶▶

Reporting Methods available on page 7

- ❑ Decide the best method to file the report with our office
- ❑ Paper reports allowed for reports with 25 or fewer properties (MUST use our form on page 11)
- ❑ If your company has access to Naupa software, report must be electronically filed (secure upload/disk)
- ❑ Excel spreadsheet may be accepted. Contact our office for formatting guidelines.

SUBMIT REPORT & REMITTANCE ▶▶

- ❑ Keep a copy for your records
- ❑ Submit a check made payable to the Kansas State Treasurer
- ❑ Deliver safe deposit boxes by due date, be sure to read pages 12 & 13
- ❑ Stock and mutual funds must be correctly registered per instructions on our web page:
www.KansasCash.com/holders (Click on .PDF link at bottom of web page)

KANSAS FREQUENTLY ASKED QUESTIONS

Visit our website for more information at www.KansasCash.com/holders

Q: Are vendor to vendor payments required to be reported?

A: For a payment to be excluded the payee must be a business and the holder must be purchasing goods or services from the payee. Insurance claims payments are a contractual obligation and are never exempt. Refunds to customers are also not exempt. We will accept vendor payments, however they are not required to be remitted. You may have a duty to report vendor payments that are exempt under Kansas statutes to either the state of your domicile or the state in which the transaction occurred if those states have statutes similar to K.S.A. 58-3936. Most states have adopted these priority rules from the Uniform Unclaimed Property Act.

Q: How do I file an extension request?

A: The form is available on our website in the Forms section and may be faxed to our office.

Q: Does the State of Kansas require negative (zero) reports?

A: No, Kansas does not require negative reports.

Q: Can I deliver property before the dormancy period has elapsed?

A: Yes, per KSA 58-3960 with permission from our office. The form is available on our website in the Forms section.

Q: Is there a minimum amount for unclaimed property?

A: No. There currently is not a minimum amount in Kansas Law. We receive amounts all the way down to a penny. You may file these small amounts in one aggregate amount and are not required to provide the individual details. Call our office with questions.

Q: When does unclaimed property become the property of the State?

A: Never, the State Treasurer serves as the custodian until the property is claimed.

Q: Are gift certificates/gift cards required to be reported?

A: No, Kansas removed gift certificates from KS Law in 2004. We will accept gift certificates, however they are not required to be remitted.

Q: What happens if a holder does not report unclaimed property?

A: A holder who fails to report, pay or deliver property within the time prescribed by law may be assessed \$100 for each day the report is not presented, not to exceed \$5,000. A person who willfully fails to pay or deliver unclaimed property will be assessed a civil penalty of 25% of the value of the property.

Contact our office for more information (785)291-3173 or jessica@treasurer.ks.gov

REPORTING FOR OTHER STATES

Unclaimed Property Laws require businesses to report to the State of the owner's last known address. As a convenience, the State of Kansas will accept property of owners who live in other states ***if you are incorporated in Kansas***. Our Department will forward the names and the funds of the out-of-state owners to the appropriate states on a reciprocal report. However, ***some states require direct reporting***. You must follow the laws of the State in which you are holding property for. Contact information for other states may be found at www.Unclaimed.org.
